Transmittal Letter

Garfield County

January 12, 2012

Garfield County
Finance Department
108 8th Street, Suite 201
Glenwood Springs, CO 81601

To: Board of Garfield County Commissioners

I am pleased to present the budget for fiscal year 2012 for Garfield County. This budget is the continuation of our dialogue with Elected Officials and Department Heads about the County's preferred strategic outcomes within the context of available fiscal resources. The Finance staff has worked diligently to ensure the assumptions presented are reasonable and that they have been thoroughly reviewed and discussed with the County Administrator, and with you, the Board.

This document is our primary means of communication, and is used to present the County's financial plan to the staff and citizens of our community. The ensuing sections of this document describe the operations, policies and financial health of the County in a clear and simple format for all readers.

The budget has been prepared in accordance with all applicable State laws and County budget and financial policies. This document will be submitted to the Government Finance Officers Association (GFOA) for further review. Garfield County received the GFOA Distinguished Budget Award for its 2011 Adopted Budget and we believe this document will continue to meet all program criteria for another award.

Sincerely,

Andrew Gorgey
Acting County Manager

Lisa Dawson
Director of Administrative Services
