Garfield County Energy Advisory Board invites you to a community program

Work Session to Study Oil and Gas Development Road and Traffic Issues

When: **Thursday May 7th 5:30 - 7:30 pm**
Beginning at 5:30 pm, dinner and social is provided for attendees. Meeting will begin promptly at 6:00 pm.

Where: **Rifle Branch Library 207 East Avenue**

Road and traffic issues associated with oil and gas development have historically been a major concern for Garfield County residents. The Energy Advisory Board is convening a work session to study these issues. The public is invited to attend this work session and to provide the board with personal insights and recommendations regarding road and traffic issues of concern.

The Energy Advisory Board is a monthly forum for the public, oil and gas industry, landowners and local government to engage in positive and proactive communication and actions that encourage responsible and balanced development of energy resources.
