Construction of West Glenwood CNG Station

Garfield County Energy Advisory Board invites you to a community program

Trucks, Vans and Buses: Using Compressed Natural Gas (CNG) for Transportation in Garfield County

When: **Thursday September 3rd 5:30 pm - 7:30 pm**
Beginning at 5:30 pm, dinner and social time is provided for attendees. Meeting will begin promptly at 6:00 pm.

Where: **Rifle Branch Library 207 East Avenue**

Heather McGregor of Garfield Clean Energy explains the advantages of CNG as a transportation fuel for industry, contractors, transit and government fleets. Learn about new CNG fueling stations coming to Garfield County, factory-built CNG trucks, and the tax credits and grants that are driving rapid expansion in CNG across Colorado.

The Energy Advisory Board is a monthly forum for the public, oil and gas industry, landowners and local government to engage in positive and proactive communication and actions that encourage responsible and balanced development of energy resources.
