From: lisa.oreilly@ucdenver.edu

Subject: Garfield County Environmental Health Issues
Body: Here is your first opportunity to share your thinking on Environmental Health issues in Garfield County. This is an effort to develop a consensus on the EH issues most important for Garfield County to address.

Click on your Round One link here: http://www.surveymonkey.com/s.aspx
This link is uniquely yours. Please do not forward this message.

Please respond between now and the end of the day, Thursday, April 22, 2010.

Your responses are completely confidential. The group of respondents, including you, has been carefully developed to represent Garfield County residents.

Look for the Round Two email, giving you another response link, on Monday, April 26, 2010. Please respond by May 2.

The Round Three link, the final one, will arrive by email on Wednesday, May 3, 2010. Please respond by May 12.

Thanks for your participation!

Garfield County Public Health and Royce Arbour, Inc., appreciate your agreement to be a respondent. We in the Colorado School of Public Health, located at the University of Colorado at Denver, are pleased to assist the Garfield County C.A.R.E.S. project in conducting this study.

Please note: If you do not wish to receive further emails from us, please click the link below, and you will be automatically removed from our mailing list.

Greetings to all . . .

. . . who said they'd participate in the exercise to build consensus on the most important Environmental Health issues for Garfield County.
Grateful thanks to those of you who already registered your thinking!

This Thursday - Tomorrow - April 22 is The Last Day for Round One.

If you have yet not clicked on the link to take you to Round One, powered by SurveyMonkey -

Please - We really want you to participate.
And it must be really soon now!

The email request for you to register your thinking in Round One was sent out last Thursday, April 15, 2010, by Lisa O'Reilly.

Her email address is Lisa.Oreilly@ucdenver.edu.

Please put this email address in your "approved" listing, because Round Two and Round Three will also come from her email address.

If you you don't find the email, please check to see if it got caught in your spam filter.
If you still don't find the email, get in touch with Lisa directly - *Today, Please* - so you can still participate.

Lisa O'Reilly is on the staff of the School of Public Health at the University of Colorado at Denver.
GCPH is most grateful for the help of the School of Public Health.

With sincere thanks from the Garfield County C.A.R.E.S. Project:

Jim Rada, Paul Reaser and Carrie Godes - Garfield County Public Health
Diana Royce Smith, Chuck Stout, and Danielle Money - Royce Arbour, Inc.
