Night work and traffic holds scheduled next week on I-70 in Glenwood Canyon for overhead sign work

Delays expected during sign replacement in Hanging Lake Tunnel

GARFIELD COUNTY- Crews performing overhead sign work on I-70 in the Hanging Lake tunnel will implement lane closures and :20 minute traffic holds during safety critical overhead work. The work is scheduled to begin on Monday night, October 30-Thursday, November 2.

NIGHT WORK DATES and TIMES:

- **Monday, October 30:** WESTBOUND single lane closure from 7:00 p.m. - midnight and again from 5:00 a.m. - 7:00 a.m.

FULL LANE CLOSURE with :20 minute traffic holds from midnight-5:00 a.m., delays expected.
- **Tuesday, October 31 and Wednesday, November 1:** EASTBOUND single lane closure from 7:00 p.m. - midnight and again from 5:00 a.m. - 7:00 a.m.

FULL LANE CLOSURE with :20 minute traffic holds from midnight-5:00 a.m., delays expected.
- **Thursday, November 2:** WESTBOUND single lane closure from 7:00 p.m. - midnight and again from 5:00 a.m. - 7:00 a.m.

FULL LANE CLOSURE with :20 minute traffic holds from midnight-5:00 a.m., delays expected.

PROJECT HISTORY:

The project limits are I-70 east of Glenwood Springs Colorado from mile point (MP) 124.8 - MP 125.9. Work includes Variable Message Sign (VMS) installation. The new signs will be LED and more energy efficient. The contractor selected for this \$3 million project is Casper Electric.

PROJECT INFORMATION: For more information or to ask questions, please contact the contractor's public information line at [\(970\) 456-1704](tel:9704561704) or email hanginglaketunnels@gmail.com.

OTHER ROAD & PROJECT INFORMATION: To sign up to receive project information and/or lane closure updates on state highways in the area of your choice, visit CDOT's website at www.codot.gov and choose the envelope icon at the bottom of the webpage. Or, to see CDOT's lane closure reports for projects statewide, visit www.codot.gov/travel/scheduled-lane-closures.html.
