

Dear Garfield County Residents,

LiveWell Garfield County is collecting information about the activities that kids in our community like to do outdoors. We will use this information to come up with ideas about how to make it easier for families to get outside and enjoy nature in our community. These ideas will be submitted to Great Outdoors Colorado for possible funding as part of their [Inspire Initiative](#).

Please take a few minutes to complete the following survey about the activities that you like to do outside. We want to hear your ideas for ways that we can make our outdoor places and programs better!

Thank you for your help!
