## EAB meets tonight

Staff Report

RIFLE — The Garfield County Energy Advisory Board (EAB) meets tonight, starting at 5:30 p.m. with a catered dinner and “social time,” at the Rifle Branch Library.

The featured presentation at the meeting will be a talk by Laurie Rink, coordinator for the Middle Colorado Watershed Council, on the subject of “water quality protection using the watershed approach.”

The presentation is expected to offer information about how local “stakeholders,” including government, industry and agriculture, are working to evaluate water quality in Garfield County and come up with ways to preserve and even improve water quality in the county.

The actual meeting is to start at 6 p.m., following the social time, and those expecting to attend are asked to RSVP to 970-625-5915 for meal planning purposes.

Also on the agenda tonight will be the introduction of new members to the EAB. The new members are Jack Castle of Parachute representing Rulison, Holes Mesa and Morrissania Mesa; Tom Vondette representing the Taughenbaugh Mesa region; Kimberly Bullen representing the City of Rifle; and A.J. Hobbs representing the Town of Carbondale.

*Garfield County  
Energy Advisory Board invites you  
to a community program*

### **Refuel Colorado Fleets: Accelerating Adoption of Natural Gas Vehicles**

**When: Thursday, October 3, 5:30 pm**

**Where: Rifle Branch Library**

**Speaker: Mike Ogburn, Energy  
Engineer, CLEER**

Mike Ogburn will speak on Clean Energy Economy for the Region’s (CLEER) work with fleets to build market demand for compressed natural gas vehicles and fueling stations in Garfield and Mesa counties. This work is part of the Refuel Colorado Fleets pilot program promoting alternative fuels in nine Colorado counties.

At 5:30 pm, dinner and social time is provided for Energy Advisory Board meeting attendees. The meeting and

## COMMUNITY NEWS BRIEFS

### **Energy Advisory Board to meet today**

The Garfield County Energy Advisory Board (EAB) will meet from 5:30-7:30 p.m. Thursday, Oct. 3, at the Rifle Library, 207 East Ave., to get an update about oil and gas activity in our area. Dinner is provided for meeting attendees. Citizens are invited and welcome

to attend. Clean Energy Economy for the Region (CLEER) will present the program on “Accelerating Adoption of Natural Gas Vehicles – Refueling Colorado Fleets.”

The EAB still seeks additional citizen representatives for the Dry Hollow Creek area and the Una Bridge/Wallace

Creek/Spring Creek area to serve at EAB monthly meetings. Interested county residents who reside in one of these areas are encouraged to apply. Details and the required application form are available online at [garfield-county.com/oil-gas](http://garfield-county.com/oil-gas).

The Energy Advisory Board reports to

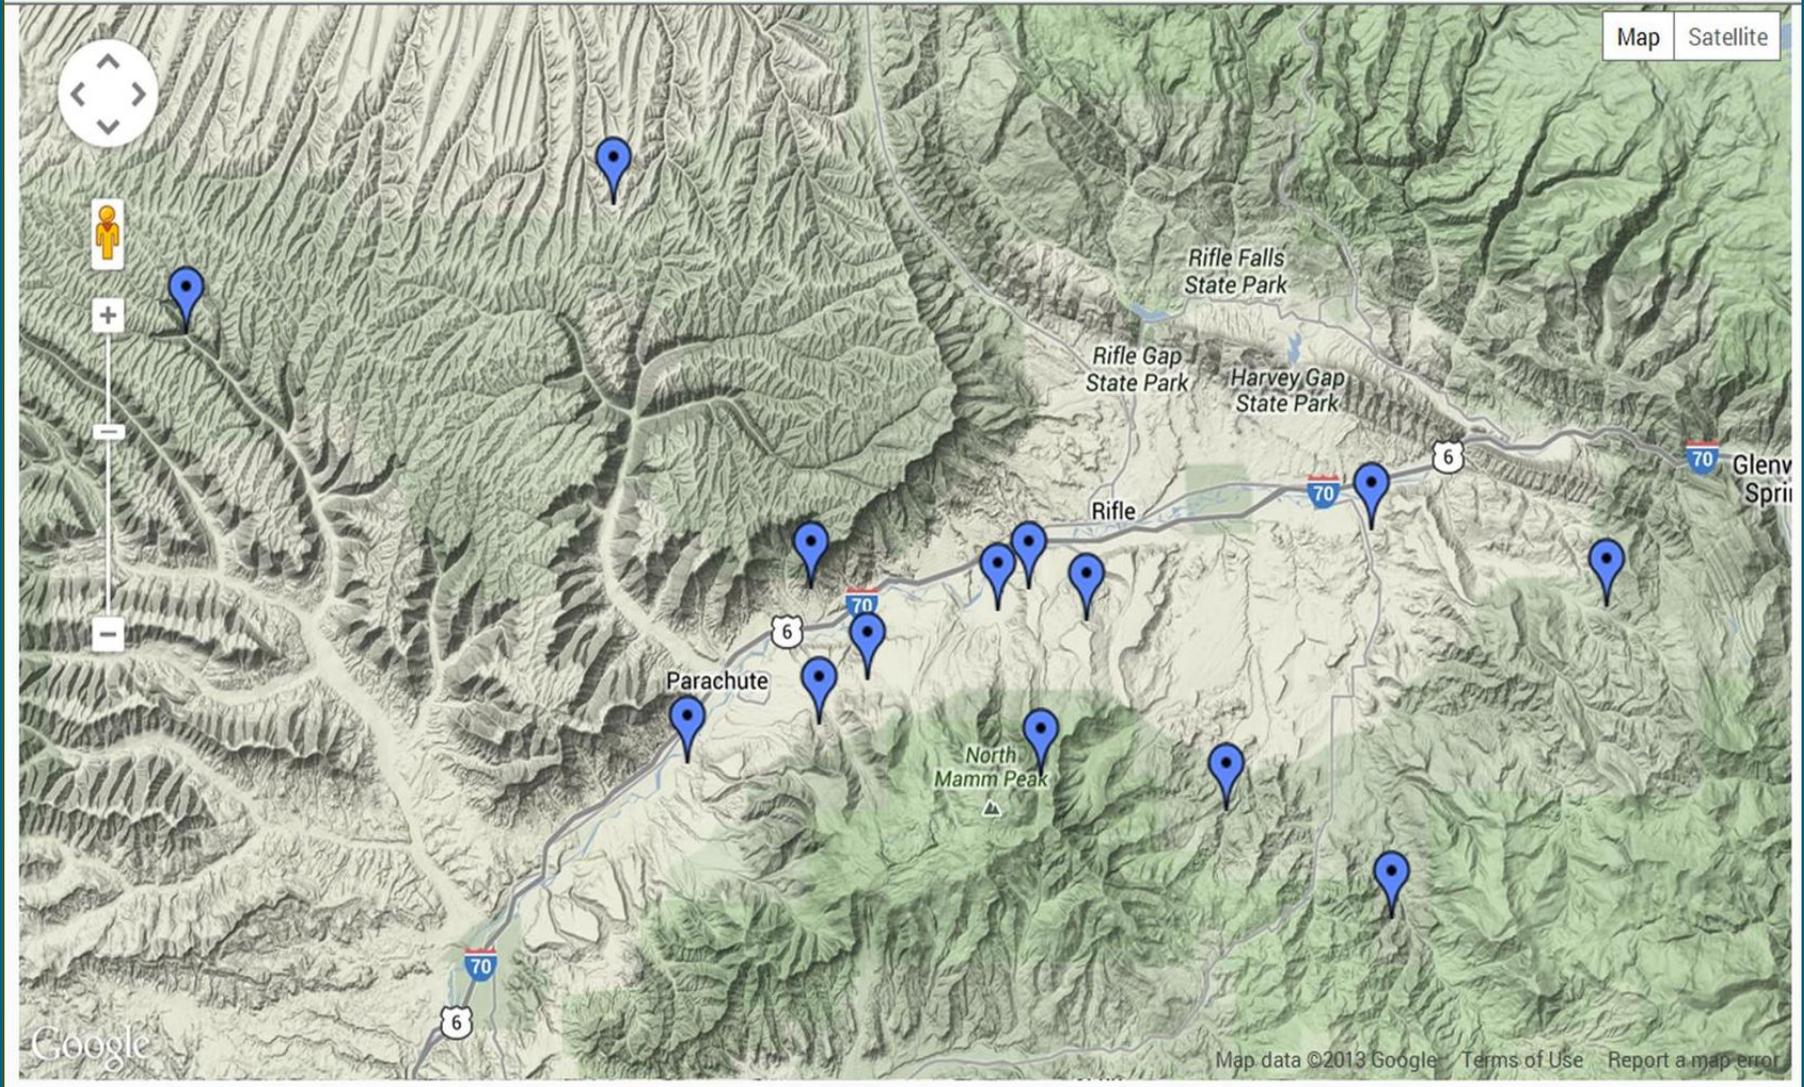

the Garfield County Commissioners’ and was created to provide a forum for the public, the oil and gas industry, landowners and local government to engage in positive and proactive communication and actions that encourage responsible and balanced development of energy resource in Garfield County.
