

Grand Avenue Bridge

ASPHALT OVERLAY SCHEDULE

What: Asphalt overlay work begins the week of Apr. 17. This scope of work is anticipated to be complete in June. All work includes alternating one-lane traffic and periodic traffic holds up to 15 minutes.

Where:

- **GREEN:** US Hwy 6 from just west of the Storm King Drive to the CO-82 intersection
May-June
- **RED:** Midland Avenue from Devereux Road to Eighth Street
May
- **PURPLE:** Downtown Glenwood Springs
June

Why: The asphalt project is necessary to prepare for the 2017 traffic bridge detour. Project areas will receive new asphalt and will include some road repairs. Asphalt overlay on US Hwy 6 will begin the week of May 8 and go through May 19. Stay tuned for Midland Avenue and the downtown overlay schedules.
