

LET'S TALK WEEDS

Identify and Manage Invasive Weeds in Lawns and Pastures

**FREE
COFFEE &
SNACKS**

APRIL 12, 20 & 21

RIFLE • CARBONDALE • PARACHUTE

WHEN AND WHERE:

- **Tuesday, April 12**
6 - 7:30 p.m.
Rifle Library
207 East Ave.
- **Wednesday, April 20**
6 - 7:30 p.m.
Roaring Fork Coop
760 Highway 133
Carbondale
- **Thursday, April 21**
6 - 7:30 p.m.
Parachute Library
244 Grand Valley Way

LEARN:

- Resources and programs offered for identifying and fighting invasive weeds in your home garden, lawn and pasture.
- How to participate and sign up for a noxious weed cost-share program that may partially reimburse qualified landowners for weed management expenses.
- The best way to learn about weeds is to arrange an on-site visit. CSU Extension-Garfield County, Garfield County Vegetation Management, and the Conservation Districts provide this service.

THE PRESENTERS:

- Brandi Kaufmann**
Interim Agricultural Associate,
CSU Extension-Garfield County
- Lawn and Turf Weeds
 - Escaped ornamentals around the home
- Steve Anthony**
Garfield County
Vegetation Management
- Pasture and range weeds
 - New invasive weeds
