

Purge Your Spurge

Get rid of this highly invasive noxious weed and get FREE landscape plants!

THE REWARD IS:

A \$15 Mountain Valley Greenhouse voucher for each 30-gallon bag of pulled spurge.

May 19 - June 5, 2014

How:

Pull and bag your spurge; contact a sponsor. They'll come to you and verify it's spurge (Myrtle or Cypress), and give you a voucher for Mountain Valley Developmental Greenhouse in Glenwood Springs.

Pulling Tips:

Try to remove at least 4 inches of the root. Collect the plants in plastic bags. **DO NOT COMPOST!**

Sign Up:

Contact a project sponsor near you:

- Garfield County (379-4456)
- CSU Extension (625-3969)
- Conservation Districts (945-5494, ext. 104)

Sponsored by:

Garfield County Vegetation Management, CSU Extension, CSU Master Gardeners, Bookcliff, Mount Sopris and South Side Conservation Districts, and Mountain Valley Greenhouse.

Caution!
Spurge has white sap that can cause skin irritation. Wear gloves, long sleeves, and long pants when pulling.
